

## *THE LANDING OF TECUMSEH – ON SITE CEREMONY*

*Are you looking for a site to hold your ceremony? Let us help you!*

### **Courtyard or inside rental for ceremony**

**\$350**

Our beautifully landscaped courtyard provides a private setting for your wedding ceremony. We strive to make our courtyard a relaxing, peaceful setting for you and your guests. We have a stained concrete walkway, leading to our lovely gazebo. When you choose to have your wedding in our courtyard our staff will do the set up and tear down of chairs for your guests.

The Landing offers you the use of our work room as your personal location to get ready. It is a private room where guests won't be able to see you prior to your grand entrance. Once your ceremony is finished the room will be off limits as our employees need to be in and out of it during the remainder of your event.

### **Decorating for courtyard-**

**\$150**

We offer decorating of the courtyard and gazebo at an additional charge. This decorating is done specifically for your function and theme. Working with you we will create the perfect ceremony setting.

- Arch-choice of decorations
- Gazebo-additional lights and floral
- Aisle- bows, lanterns, hooks
- Bar high tables for your guests to mingle around
